August 30th 2016—Week 7, Term 3

Dear Parents/Grandparents,

Hello all, as usual there are so many marvellous things which have occurred at our wonderful school over the past fortnight such as: book day, tennis, David Dunn workshop, tree planting and Olympic projects.

*Friendly reminders:*

- ◇ **LUNCH DAY**— The student leaders organised another outstanding lunch day. It is proving to be successful—the very tasty spaghetti bolognaise, prima and a delicious frog in the pond.

**Lunch Next Wednesday 7th of September**

*Hot dog, prima and a piece of slice. \$5.00*

- ◇ **Father's Day Stall— Recess Thursday 1st of September**

## David Dunn's Workshop

Hi parents, we have had an amazing two days with David Dunn he is an spectacular aboriginal artist. We did some beautiful murals on what we love of Urana, he taught us how to paint human figures and great sunsets also realistic looking gum trees and fires. He showed us some of his best paintings and we had a chance to create something beautiful and authentic. We completed two murals that will be mounted on the end of our 3-6 room and will be easily seen from the road.

# Book Day 2016

Book day was amazing. Everyone enjoyed the food that the Student Leaders made for us and the parents. Everyone dressed up differently, some were very creative however they were all good. We thank the Student Leaders and Mrs Brooks for cooking the food.

## Our winners and gridders

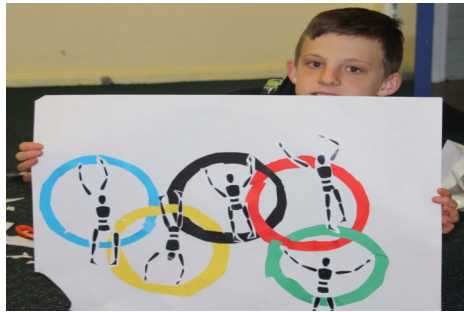

# The Olympics

## Rio Olympics

This term the 3-6 have been learning about the Olympics. They have made their own Olympic rings with athletes doing all kinds of different events. They made little rings with patterns and drawings inside of them. Every ring has different patterns.

They have been learning all kinds of different facts and asking lots of questions.

By Cameron

## Tree Planting

Last week K-6 planted trees that Mrs Mitchell's brother kindly donated, so we can now watch them grow just like we grow.

# Student's Work

22/8/16

Last week we had David Dunn  
come to our school and we learnt  
how to paint a tree by using a  
thick paint brush.

He showed us how to do the  
sunset by using red and yellow paint.
