26th October 2018—Week 2, Term 4

Welcome back everyone to Term 4, 2018!

The term ahead, at this stage is relatively settled, with a few exciting and engaging challenges organised! The classroom is in the full swing of learning, we are learning about the early inland explorers, healthy lifestyles and busy sewing Christmas creations.

We have also welcomed Abbey Anderson into our classroom to complete a placement as part of her journey to becoming a teacher. She will be here for the first four weeks of this term.

David and Reyen have shown us their photos of their visit to Stewart House, by all accounts they had a fabulous time.

Last week the students and I walked to the Council Chambers to partake in a Flood Safety Workshop. This was a very engaging and informative session on the dangers of flooding. Thank you to the WMAwater and Federation Shire for including us in this workshop.

**Remembrance Day** falls on a Sunday this year. I encourage all students to assemble at McKnight Park at 10:30am on the 11th November in full school uniform, to take part in this annual commemoration of the fallen. Bring along a single flower to lay on the cenotaph.
